**SUBWAY RESTAURANTS CELEBRATE THE TRITON SPIRIT
A PORTION OF FEBRUARY SALES BENEFIT THE UNIVERSITY OF GUAM'S
60TH ANNIVERSARY CAMPAIGN**

(Tamuning, Guam) February 1, 2012 - Subway Restaurants celebrate the University of Guam Triton Spirit by donating a portion of sales during the month of February. Subway restaurants created a special UOG Triton Menu for the campaign and a portion of the sales of the menu items will go to the University of Guam's Capital fund which will be used solely to construct new facilities on campus.

The UOG Triton Menu is available at all fourteen Subway locations on Guam and includes the popular classic seafood and crab or the healthy oven roasted chicken sub.

Gary Schiff, Subway Restaurants of Guam Development Director comments, "Subway is proud to show our Triton Spirit and pledges our support of the University's campaign to expand, improve and strengthen the institution for its students and the community."

"We are excited to feature Subway Restaurants as our business partner for the month of February," said UOG President Robert Underwood. "Subway has always been a popular stop for our UOG community and now with every bite of a seafood and crab or oven roasted chicken sub every resident can help construct the campus of the future."

UOG celebrates its 60th Anniversary this year with fundraising efforts to support the UOG Endowment Foundation's capital campaign. Subway Restaurants of Guam's donation will assist UOG in reaching their goal to build the 21st Century campus. Subway will present the proceeds in March 2012. For more on the campus physical master plan and UOG anniversary activities visit www.uog.edu/2012.
